

BATTERY-BACKUP/UPS AVAILABLE ON MIB BARRIER GATES

PART NUMBER 1066.0045 for BATTERY BACKUP

LIST PRICE (07/2009) = \$520.00 for 1066.0045

A highly efficient Battery Backup that can operate the MIB 30/40 series of Barrier Gates for a maximum of 50 minutes at a 75% duty cycle. It comes with a mounting bracket (when ordered with barrier we install the bracket). Low-current access control readers can also be hooked up to the Battery Backup to assure uninterrupted operation during a short-term power outage.
